1 COMPETITORS

- 1.1 Competitors must be fully paid-up members of the HRCR to be eligible for the Championship and must sign that they have read and agree to the rules and regulations of the Championship. Acceptance of an entry to the Championship is at the discretion of the Championship Committee.

2 REGISTRATION

- 2.1 Completed registration forms must be returned to the Championship Coordinator who will issue a Championship registration number to each contender. The registration fee for the Championship will be £30 per crew (driver and navigator) or £18 individually. Only one member of a registered crew will be placed on the mailing list for Championship newsletters and event regulations. The driver and navigator may register individually (total £36) if they both want to be placed on the mailing list.
- 2.2 Contenders who register as a crew may also compete on events with another driver/navigator, who may or may not be registered for the Championship, although they may be reclassified into a higher experience class for that event. The crew will take the experience classification of the higher experienced crew member.
