HISTORIC RALLY CHAMPIONSHIP, with HRCR

Ten of the most challenging night rallies from across England and Wales, including three with a small number of short tests (*but not shared with Endurance events*). More compact geographic spread.

Open to cars of all historic age categories up to 1981, (1975-81 cars eligible for class awards only) with simple technical regulations (Blue Book only) and an eligibility scrutineer. Awards for pre-60, pre-68 cars and for experience classes. Also all-rounder and mixed crew awards. (*All cars including Category 1 will need to comply with 'modern' road rally regulations - 99% of current active night rally crews do so or can easily comply*)

Compete on the best lanes, against the best competition. Tried and tested events of a high reputation.
