

DEAN & MARCHES November 2016

In October we met at the Ross & District Motor Sports Clubhouse. Unfortunately our guest speaker could not make the meeting due to a family medical emergency. So we had a couple of films to watch, one about the history of Colin McRae and the other covered a number of stage rallies back in the early 70's. Both films being much enjoyed by those present.

Our next meeting will be on Monday 21st November when we will be meeting at 8.00 pm at Park End Club, deep in the Forest of Dean, just watch out for wild bore on the roads, they are very difficult to see at night. Location is down a hard to spot 'slot' at 162/617080 or GL15 4JE . It will be a night of skittles so I hope lots turn up.

As always all members and friends are most welcome to come and join us.
