

## **DEAN & MARCHES**

To start the new year we met at the Ross & District Motor Sports Club in Ross-on-Wye. The year planner for all our 2017 events was issued and we also had a 'guess the odd object' competition on items members had bought along. We had some really odd objects and interesting ones. One member bought a box of special tools and jigs he had made for carrying out work on Lancia cars, as a result most people decided they did not want a complicated Lancia!

The next meeting will be on Monday 20<sup>th</sup> February when we will meet from 8.00 pm at the Ross & District Motor Sports Club, Kyrle Street, Ross-on-Wye, HR9 7DB. The entertainment for the evening will be a motorsport and general knowledge quiz with questions set by a number of members. Come and pit your wits, all most welcome.
