

SOUTH EAST LONDON & SURREY

The Area wandered through a quiet March with the notable exception of Peter Joy who showed yet again how well he combines with and manipulates a Lotus Elite, on the Tour of Cheshire. Particular speciality being tests, where he and Matt Fowle came 2nd overall, one point behind a Fiord (sic) Escort Mexico.

Definitely puts the rest of us to shame.

At month-end we have three crews setting off to Holland on the "last" Regis Classic Tour organised by Ali Green and the Ladies.

The April highlight is the visit of Bill Price who joins us on the 27th at The Bell, Outwood for an evening of recollection and anecdote of his years at rallying's frontline.

7pm for a bite to eat. Bill on at 8pm-ish.
