

DEAN & MARCHES

Thirty three members and friends enjoyed a visit to the Jet Age Museum at Staverton for our July meeting. The very interesting museum with knowledgeable guides kept us all interested for two hours. Many said they would return for another look around.

Our next meeting will be on Monday 21st August when we shall again be 'out on the road' for the annual 'Run to the Pub'. We are running this a month later than usual so with nights starting to draw in we will **start between 7.00 and 7.30 pm**. A new Starting point as well. **Please Note**. The main car park in Monmouth. I will be in the corner near to the Arched Bridge. Map. Ref. 162/503125 this is the 'Waitrose' end of the town. The run will be around 25 miles to the pub where you can eat your pre ordered food. I will take food orders and phone them through to the pub. It would be very nice to see as many classic or interesting cars as possible.

As always all members, friends and family are most welcome.
