

NORTH WEST

Shon Gosling is standing down as area organiser and John Hunt is taking over, John has been involved with the area since it's beginning and has previously produced the are newsletter a task that Shon will continue with.

During July, a capacity audience listened to Don Barrow give an excellent talk about his exploits with Timo Makinen in the BMC works team during the 60's. We also had an afternoon treasure hunt organised by Paul Simmons taking in an excellent route around Cheshire and finishing with a well-earned Ice Cream at Great Budworth Ice Cream Farm.

The meeting on the 15th August will be at the Red Lion, Station Road, Goostrey CW4 8PJ starting at 7:30pm for a car night and noggin. The landlord here is a classic car enthusiast and we can look forward to a warm welcome.

The area organiser is John Hunt and he can be contacted by email: northwest@hrcr.co.uk
