

## DEAN & MARCHES

Twenty five cars set off from Monmouth on a really beautiful evening on our annual 'Run to the Pub'. Using a tulip diagram for the route of just over 18 miles which took in parts of three maps. Lots of narrow lanes and beautiful views along the way to The Lion Pub at Trellech. The pub was rather overwhelmed by the sudden influx of people, a lot more than they or me had been expecting. Everyone eventually got served and a good time was had by all.

Our next meeting will be on Monday 18<sup>th</sup> September at 8.00 pm. We shall be meeting at The Ross & District Motor Sports Club in Kyrle Street, Ross-on-Wye. The organiser tells me it will be a 'surprise' evening of entertainment.

As always all members, friends and family are most welcome.
