

SOUTH EAST LONDON & SURREY

August was a shared experience with Southern Car Club when a good turn-out enjoyed a ramble through the Surrey lanes in search of a vast number of clues and places. Followed by a bbq and "grass" test.

Prizes were awarded and the Area was not humiliated. The liaison between the two clubs goes back to dual members Brian Hugh and the Williamsons and a lot of marshalling on the Goodwood Festival of Speed rally stage. More joint events to come.

September will be busy with Area members entered on the ERA Blue Train Challenge and Classic Rally Tours Trophy.

The former will form the basis of the month's meeting with illustrated reports from the Jeffcoates and Robsons.

Meeting at The Bell, Outwood on 28th September.
