

DEAN & MARCHES

We had 28 people gathered at Ross Motor Club's premises for the September meet where Neil Henderson gave a presentation charting the history of the Tour of Dean the fore runner to the current Wyedean stage rally. Some very interesting archive film footage which has now been put on DVD was run from the early 70's, it was very noticeable that the stages did not cut into ruts on the bends and the cars carried no advertising with roadside servicing off roof racks on road cars how things have changed and not all for the better perhaps.

The October meet will be at Three Choirs Vinery Newent Glos. 162/717291 or GL18 1LS on Monday 23rd October at 7.30pm

Where wine and beer tasting with an optional meal afterwards for all to enjoy
