

## **NORTH WEST**

The Skittles evening at the Bickerton Poacher was great fun, with 20 participants, and overall honours went to the team of Dave Blackhurst and Anwen Mountford.

The Mint Sauce Run was a great success with some thirty crews enjoying a route that took in some of the best scenery in the Peak District and the lamb hot pot at the finish certainly impressed many!

Anwen Mountford is organising an indoor scatter on the 17<sup>th</sup> October at the Wagon and Horses, near Congleton, with chip butties, so it has got to be good! Please book in advance and for more details email Anwen: [philbateman@hotmail.com](mailto:philbateman@hotmail.com)

Another date for your diary is the 10<sup>th</sup> February 2018 when we will be running a road rally training day, more details will be available soon.
