

NORTHANTS & BEDS

Our September meeting, was held at the George in Tiffield. Andrew Bodman hosted his Quiz, which was a mixture of HRCR orientated questions, together with head scratching questions with the inevitable “choice of two” multi choice answers.

Our October meeting, on Monday 30th, will be a “Catch Up” night at the George – Tiffield – NN12 8AD, for our members who will have competed on either the Devon Classic, Simon Rossitor’s Classic Trophy Rally, the Devils Own, the Champagne Classic Rally Tour, and the November Sun Run!
A busy month for several N&B Members.

Then we have an opportunity of visiting the Vauxhall Heritage Museum on Monday November 27th.

This 73 strong collection of 113 years of their history is located in Luton, and I am still collecting names for this trip.

So I look forward to hearing from you as soon as possible.

As usual members and friends are welcome.

Please contact me should you any queries on the group’s activities, or if you wish to be included on our Monthly Newsletter mailing list, and have any articles or photographs please email them to Monica Dowson at monica.dowson@btinternet.com who will also be most pleased to hear from you.
