

NORTH WEST

The area held a 'book club' night for our October meeting where members brought along a great selection of their 50's & 60's Rally Books.

Our next meeting on the 21st November at the Waggon and Horses, Manchester Road, Eaton. CW12 2JD is a planning meeting for 2018 and with many events and ideas in the pipeline it looks like being a bumper year, so we will be looking for help with the organisation. Just to make the evening more interesting we will be having a free raffle for anyone that attends!

The Christmas Dinner will also at the Waggon and Horses on the 12th December, we already have several bookings but more are welcome. For copies of the Menu please contact John Hunt hunt07@btinternet.com.

Another date for your diary is the 10th February 2018 when we will be running a road rally training day. John Hunt
