### Le Jog

It was the Lymm test on Le Jog. The last image is the entry list. First car was at around 9.32 am. Only about 40 cars came through so a rather high attrition rate. It took place on the lorry park at the Services. Fortunately the parking cameras had been switched off for the day so no parking charges

would be raised for staying over two hours. The test was run by Boundless CSMA with support from Liverpool MC.
