

BUCKS BERKS & OXON

Tuesday 6th March 2018 HRGR meeting at The Gate, nr. High Wycombe

Special snow special !!!

The 1963 Monte Carlo Rally

If you took it a bit steady this morning, then spare a thought for the crew's in this film. 1963 was the harshest winter on record and these guys were all running out of time from the moment they started. A very level event where smaller engined cars had as much chance as the big guns.

Interval

Then for our new members something a bit more warmer and accessible.

The 2000 Classic Marathon: London to San Remo

This was mine and my best mate David Schon's first ever International Event and one of the most memorable. These were big events back then with over 100 cars entered. We even won two cups each, which was all the more surprising as we hadn't a clue what we were doing. As most of you know, these type of events still exist today and are a great way to enjoy your car, drive a bit quicker than you thought and make lifelong friendships.

Meetings are (normally) held first Tuesday of every month at The Gate, Bryants Bottom Road, Great Missenden, Bucks, HP16 0JS. [8pm](#) for 8.30.

To keep these evenings free please come from 7 pm and take advantage of our hosts excellent food and beer!
