

NORTH WEST

The HRCR road rally training day at Marthall Village Hall was a complete sell out, With nearly 60 participants. We would like to thank all those that came along to help make it such a success.

The Grope night attracted along our club Chairman, Paul Loveridge, who joined in the entertainment. The format was that teams had to identify firstly the contents of 10 sealed cloth bags containing car parts and then 10 bags containing household items. There was a draw for first which was resolved with the help of the landlady who provided some extra items from the Pub's kitchen! Thank you to David Ward for organising the evening.

The visit to Whitby Morrison on the 12th still has a few places left so if you are interested please let me know as soon as possible. They are the largest ice cream van builder in the world employing some 50 people and Stuart Whitby has probably got the largest classic ice cream van collection, totalling some 60 vehicles which we will be able to see these on the day.

The evening meeting on the 20th March will be an account of Mike and Lorna Harrison's adventures on the Classic Safari Challenge, on which they covered 9000kms and four countries in Southern Africa during October and November last year. If you have seen the latest 'old Stager' you will not want to miss hearing more about their journey. The evening will start at 8:00pm at the Waggon and Horses, Manchester Road, Eaton, CW12 2JD

This coming weekend will see many area members out competing or helping with the opening round of the Clubman's Road Rally Championship the Tour of Cheshire. It may not be too late if you want to be involved, please visit the event website www.tourofcheshire.co.uk for more details.

CANCELLED
