

## **Dean & The Marches Section**

A sizable group of beer enthusiasts descended on The Hillside Brewery for our April meeting. The Hillside Brewery located just off the A40 near May Hill is run by a father and son team and although fairly new on the brewing scene they have already won many awards for their beer.

During the evening we sampled brews such as Legless Cow, Over the Hill and Summit whilst we learnt all about the ingredients and art of brewing beer and had a good look around the brewing hall and the bottling area. All in attendance agreed what an interesting evening it had been and Paul Loveridge had managed to successfully organise a xxxx up in a brewery!

On May 21<sup>st</sup> we shall meet at The Forest Hills Golf Club, near Coleford, GL167QD or 162/585115 at 7.30 pm for our annual 'Bonnets Up' night. Bring along any motorised vehicle of 2, 3, 4 or more wheels and put it on display, Everyone and all vehicle types are most welcome to join us. Good food will be available in the club house and there may even be an ice cream van in attendance. So dust off those vehicles and come and show them off. Get friends and family to bring along something to display.

As always all are welcome, come and join us.
