

## **SOUTH EAST LONDON & SURREY**

A fine, if small assembly, of members gathered at The Whyte Harte and celebrated the feast of St Cletus on 26th April.

Active members were away with Jim Gavin in Yorkshire and a report on this tour is awaited at the next meeting.

We also expect some racing reportage as we have a couple of race "teams" in the Area.

One is heading to the little-known Charade circuit, near Clermont Ferrand in the Auvergne in late May.

Also looming on the horizon is the 4th WARLINGHAM RFC Classic Car show on 15th July.

We have historically provided a selection of rally cars for this event, which raises substantial funds for Cancer Research.

Our next gathering is at The Whyte Harte, Bletchingley on 31st May, last Thursday of the month.
