Re: HRCR meetings at The Gate, Bryants Bottom on hold.

With regret we have been informed by Les, our host and proprietor of The Gate, that he is leaving for health reasons. It is hoped that a new tenant will be found without undue delay.

Therefore and with regret the **June** HRCR meeting is effectively cancelled as the pub is expected to be closed.

I will keep you updated and am hopeful we will have a solution in place before the July meeting.

Kind Regards
