

## DEAN & MARCHES

Summer seemed to have arrived at last at our annual 'Bonnets Up' night. About an hour after the 30 cars and one David Brown tractor arrived the heavens opened with a massive thunder storm. This drove everyone inside to the bar for an hour or so. When we re-emerged it was to massive puddles and steaming roads but at least the rain had stopped. We were then able to have a close look at chairman Paul's wonderfully restored tractor but I bet he was pleased the rain had stopped for his drive home.

On Monday 18<sup>th</sup> June it will be time for our Treasure Hunt. We will meet at The Weston Cross pub at Weston under Penyard, 162/632234, this is on the A40 Ross-on-Wye to Gloucester road. Food will be available. The hunt is being organised by the Loveridge family so be prepared. Everyone is welcome, friends and family especially, fill up your car with 'hunters'
