

NORTH WEST

I would like to start by thanking all those that turned up to help at Gawsworth Classic and Youngtimers Car Shows in May. We got plenty of interest and I expect we will see a few new faces at the Car Night at the Waggon and Horses.

Cherrie and Duncan's photo fun run proved a great success. This was an excellent new format for an evening run with the route checks by way of photographs and with an afternoon route and then the option of an evening section for those who work for a living. The route covered a relatively new area for most of us, over in East Cheshire and given that we were running late afternoon early evening the roads were remarkably quiet.
