

DEAN & MARCHES

The summer treasure hunt attracted about ten cars all filled with eager 'hunters'. A good time seemed to be had by all on a nice warm summer evening. One or two people just could not get their heads around the way of thinking of the question setters. A well known classic Citroen had to retire with fuel vaporisation and a Daimler Dart almost non started when the coil failed; luckily a spare was fitted to the car.

Monday 23rd July is our annual Run to the Pub using a tulip style route card. At the pub good food will be available. I have arranged a buffet style meal with beef chilli, chicken casserole, lasagne and a veggy option for a very reasonable price of £8 per person. So no menu choices to be made at the start and I can guarantee that there will be plenty of parking and inside seating at this years pub.

Start at 7.30 pm from the large Wilton Road car park on the left hand side of the road as you leave Ross and just before Wilton Bridge.

Please come and enjoy a 20+ mile meander around the lanes before enjoying food, drink and good chat. Everyone is welcome, friends and family especially. It will be nice to see some classics out.
