HRCR North West Area News

Making the best of the current spell of good weather the area had an excellent and well attended Grass Autotest and Barbeque in the grounds of Gawsworth Hall thanks to Duncan Wild for organising and to Rupert Richards for use of the field.

We now hope that the weather holds for our forthcoming events, on Tuesday 17 July we have Mike and Lorna's evening car run in East Cheshire, with a bit of a treasure hunt for those that wish.

Starting and finishing at the Wagon & Horses, Manchester Road, Eaton, Congleton, CW12 2JD the route will take you over canals, up and down the hills, passed the 'Cloud' and historic properties.

It's about 35 miles in total so there will be plenty of time to see the sights, get the clues and be back for some refreshments (provided) and a chat.

Entry fee inc pub nibbles after the run £10 per car. First car away at 7.15pm, but we'll be at the Wagon & Horses from 6.45pm for signing on.

Please let Mike ([mikeharrison1953@gmail.com](mailto:mikeharrison1953@gmail.com)) know if you intend coming, no later than Wednesday 11 July, so he can sort out the catering and knows how many sets of instructions to print. No maps required.
