

DEAN & MARCHES

For July it was our annual Run to the Pub. A winding tulip route of about 20 miles took everyone to The Royal Oak pub at Much Marcle where some really excellent and reasonable priced food was served. The run took place on a beautiful summer evening. Unfortunately due to previous successful runs and the great weather I was almost overwhelmed by the number of cars that turned up at the start. So many, that I had to finally restrict some crews to just doing the run without food at the pub because the pub could not cope with the number of meals. So having a successful event also has a down side.

Our August meeting will be on Monday 20th August at 7.30 pm when we will meet at the Kelsmore Farm to see ice cream making from milk provided by their own Guernsey herd of cattle. After seeing it made you will get the opportunity to sample the award winning ice cream. Kelsmore farm is located well out in the countryside in the village of Garway at 161/467227 or HR2 8RF. Please note that the map. ref. shown on our yearly calendar of events is wrong.

Everyone is welcome, friends and family and especially ice cream lovers. It will be nice to see some classics out.
