

Dean & The Marches Section

For our August meeting it was something new and different. We visited Yew Tree Farm on Garway Common where they make Kelsmor Dairy Ice Cream for the milk of their own herd of Guernsey cows. The visit was set up by that well known ice cream lover and sometime HRCR chairman, Paul Loveridge. On a nice warm summer evening almost 40 people were attracted by the ice cream and all were shown around the ice cream making area and the big herd of Guernsey cattle. One thing that impressed me was that the ice cream was so fresh as the process was started with warm milk directly from the cow. The highlight was for everyone to taste the ice cream, really yummy.

Our September meeting will be on Monday 24th September at 7.15 pm when we will meet at The Yew Tree Inn at Peterstow on the A49 Ross-on-Wye to Hereford road at 162/648151 or HR9 6JZ. The evening will be given over to a talk by a Police accident investigator.

The Yew Tree is well known for good food, real ale and own brand cider.

As always everyone is welcome, friends and family. Stuart Harrold
