

## **SOUTH EAST LONDON & SURREY**

August was the Area's bbq, organised and generously hosted by Jackie and Andy Doherty. Many thanks to them and to the weather which held clear.

August rally activity features the FIVA World Rally based on the legendary Metropole in Llandrindrod Wells.  
Area is well represented.

The regular Whyte Harte, Bletchingley meet was available on the usual last Thursday of the month.  
Attendees encouraged to muse on future meeting topics and events we should be supporting. Debate on consolidation of event organisers, entry numbers and the exit of some organisers, if temporarily are subjects for discussion. Good to reflect on how we can best support our hobby.

Next meeting is 27th September at the Whyte Harte.
