

DEAN & MARCHES

At our September meeting we were given a very interesting evening by a police accident investigator from the South Wales Constabulary based in Cwmbran. Thirty plus attended at the Yew Tree Inn and were provided with very descriptive analysis as to how officers forensically piece together the scene of an accident which was supported by a slide show and video footage.

The evening left many pondering on their driving skills and how they observe the what is happening around them when driving

Our October meet will be held at Jacob Engineering Huntley Gloucestershire GL19 3EB at 7.30pm on 22nd October all are welcome for a return visit to view what new motoring projects are in build
