

## **DEAN & MARCHES**

A quick change of plan had to be implemented for our October meeting. The original venue became unavailable, so we visited the factory of EDM in Cinderford. EDM buy in used wire cut / spark erosion machines, refurbish them and then resell. We were able to learn all about spark erosion / wire cutting and how accurate, quick and easy to programme it is. As a demonstration a small gear wheel was cut out of a block of alloy whilst we watched. A very interesting evening.

Our November meeting will be on Monday 19<sup>th</sup> November at 7.30 pm meeting at Parkend Club, deep in the Forest of Dean for our annual skittles evening. Parkend Club is at 162/617080 or GL15 4JE. The 'slot' into the Club is difficult to find.

As always everyone is welcome, friends and family.

Stuart Harrold
