The HRCR North West Grope:

The poor weather dissuaded some people from coming along to scratch their heads. The competition was very strong. Some serious anoraks come to our meetings.

The household items round was a chance to redress the balance. This was a great opportunity to meet new friends and have a laugh.

Road Run.

Plans are progressing well for our road run. Start point is currently Chester services on the M56 and finishing in the village of Aston Near Nantwich. Different forms of navigation are going to be used for this event including Tulips, map references and basic pace notes.
