

DEAN & MARCHES

Something really different for our April get together. We visited a local cheese maker. We watched cheese being made and then we sampled some, very tasty!

Our next meeting will be on Monday 20th May. This will be our annual 'Bonnetts Up' night at The Forest Hills Golf Club at 7.30 pm. Bring along anything with an engine on 2, 3, 4 or more wheels.

Please get friends and family to bring something, the more vehicles the better.

Forest Hills Golf Club is at 162/585115 or GL16 7QD

This is usually a very interesting evening.

Stuart Harrold
