

## **DEAN & MARCHES**

May bought our annual 'Bonnet's Up' night at Forest Hills Golf Club, Coleford. A really good display of cars turned out, especially notable were four very well tuned and prepared 'proper' Minis. Really good to see all the cars. Most made it to the golf club before the heavens opened with a big dump of rain, unfortunately our chairman was driving his rather slow tractor and managed to get very wet. The rain eventually stopped and people moved back to the car park to view the gathering of cars.

Our next meeting will be on Monday 17<sup>th</sup> June, 7.30 pm when we will be out on the road for the treasure hunt, this year being organised by Steve Suckling and family. Unfortunately at the time of going to press I have not been able to find out where the treasure hunt will start from! Perhaps that is the bonus question; find the start!

I am sure all will be revealed nearer the date. If you know where it starts from, load your car with 'hunters' and come and join in.
