*July 2019 News and information.*

### **Next meeting July 9th.**

A new experience for JULY the SW HRCR are organising a run to the PUB, members can start from home to arrive at the Pub **The Carpenters Arms**, Coed y paen, near Llandegfedd reservoir. (map 171, Sq 3398.) We aim to all meet there at 7.30 to 8.00pm.

Thanks to all who attended the annual bonnets–up event at the clytha arms in June. This event is going from strength to strength with over 40 classic and sports cars turning out, with almost 90 people on the ground.

Through the summer months the usually team will be on leave at different times so it may be a little quite at the meetings.

Next month's meeting: **August 13<sup>th</sup>.**
