FORTHCOMING EVENTS

Our next event is 'Ladies Night' with Sandy Lawson, on Tuesday 3rd September 2019. 8 pm for 8.30 at our normal venue of The Gate, Bryants Bottom.

Sandy was secretary to BMC Competition Works Manager Peter Browning from 1968 until the departments close in 1970. She would have dealt with much of admin regarding the Works rallies, plus the World Cup and London to Sydney events. Later on Sandy competed similarly in her own car.

It will be refreshing to hear some experiences of Abingdon from the female perspective and hope some of our lady rallyists will be able to join us.

Also this month, the HRCR BBO Area are pleased to pass on this Regularity Rally information:

The HRCR will be an invited club to the Dolphin MC 12 Car Regularity Rally to be held on the morning of Sunday 8th September. This will be an event for newcomers (and old timers) who wish to practice their Regularity skills. Often plotting the route whilst at the same time trying to manage the timing can be a daunting task and so on this event the route instructions will be very straightforward to enable concentration on the timing. The route will defined by a marked map and tulip diagrams and speed tables, in which the ideal times for the speed changes have been calculated, will be supplied. Map 174 is not essential but a tripmeter (one on the speedometer will suffice) and a stopwatch (one on a smartphone will do).

The 50-mile route over the Berkshire Downs starts and finishes at The Swan in East Ilsley and the entry fee is £10.
