Great thanks to Phil Bateman for once again organising a pleasant and successful Bowling evening at the Bickerton Poacher. Seven teams of two took part and, with plenty of chances to bowl, the leaders swapped places several times. The food was excellent and well received, and we were well looked after.

There was a lucky dip in aid of the air ambulance which raised the sum of £38. This was generously matched by Howdens the kitchen company. All in all an excellent event.
